

Masseurs!

On October 2, 2019, we set a world record!

Within the 28th International Medical Exhibition PUBLICHEALTH

International Exhibition Center (Brovarsky Ave., 15), Kyiv, Ukraine

Our contribution to the international recognition of the Ukrainian massage!

Friends, August 27, 2017, we set together the official record of Europe: "The largest number of masseurs simultaneously performing massage". On the queue is a world record. The current record is set in 2012 in Thailand, 641 masseurs. Our task is to gather 700 participants!!

Participation is free!

Any technique is allowed, if it is safe. You may perform a massage either on the table or on the mat, even on the chair. Limited quantity of massage tables and mats is available at organizers, if reserved for you. We may help you also with massaged persons, please agree with organizers in advance

After registration!

Both professionals and amateurs are allowed. Pre-registration and safety training will be required.

Certificate!

Each participant can order (cost 100 UAH, or 5 EUR) and will receive immediately after registering a record the certificate, as well as T-shirt of RECORD will be available for the order (cost 200 UAH, or 10 EUR)

After the record, we are looking for interesting master classes, making a general photo and giving interviews!

Gathering: 10-00 till 11-30

We set the record: 12-00

General photo: 12-45

Master-classes of Record: 14-00 till 17-00

Give interview, take a photo, broadcast on the Internet, install banners, advertise yourself!!

GOOD NEWS! REGISTRATION ON THE WORLD RECORD IS OPEN!

Academy of massage INELDEA undertakes organizational work, we invite all school of massage to participate in a friendly way!

Friends, in good tradition, the project is non-profit! Participation is free after registration.
